Snow Storm – March 21, 2018

**GARBAGE COLLECTION FOR THURSDAY, MARCH 22,
2018 WILL BE COLLECTED ON FRIDAY, MARCH 23RD**

DO NOT PUT YOUR GARBAGE OUT AT THE CURB TONIGHT.

THE COUNTY HAS NOT MADE A DECISION ON THE RECYCLING PICK-UP SCHEDULED FOR THURSDAY, MARCH 22ND. Please keep checking our Facebook Page, Recycle Coach and/or the Borough Website.

We have our plows and salters on the trucks and the crew is preparing for the snow storm. Please help us by following the tips below to make the streets and roads in the Borough safe:

**All vehicles must be removed from Snow Emergency Streets
once they become snow covered**

Travel will be dangerous during this snow event and all travelers are asked to remain off the roads to give our crews an opportunity to clean the streets.

Please remove all basketball hoops and other items from the street that may be damaged by snow plows during snow removal. The Borough is not liable for damaged equipment.

Do not shovel or throw snow into the roadway. When clearing your sidewalk and driveway, shovel or direct your snow blower to put the snow onto the right of way or lawn area.

Cars should be parked in the driveway, instead of the street, when space is available. With fewer vehicles in the street, the snow can be plowed more efficiently and effectively.

When clearing out the driveway apron, it is recommended that residents wait until the snowfall has stopped and the plows have cleared the street before shoveling. This way you'll only have to shovel once and snow will not be pushed back into your apron.

Shovel around fire hydrants near your property to assist First Responders in the event of an emergency.

Please contact the Department of Public Works at 732-257-9051 for any questions you may have. You can check for updates and information on our Facebook Page.
