

SOUTH RIVER MAIN STREET WALKING TOUR!

WORLD WAR 1 AND THE 1918 PANDEMIC FLU

When:

Sunday,

October 7, 2018

at 1:30 p.m.

*The First World War was described as
“War to end all Wars”. How was South
River engaged with the war? How many
South River residents went off to War?*

*How was the 1918 pandemic flu
intertwined with the war?*

Where:

South River

Museum

64-66 Main St

Learn about the WWI memorial in front of the museum, the temporary hospital set up to treat the 1918 flu victims in South River and what is happening today to learn more about flu victims' burials in the Washington Cemetery.

**Tour to be led by Brian Armstrong, President of the
South River Historical & Preservation Society.**

***Presented through a Joint effort of the South River Cultural Arts & Heritage
Commission and the South River Historical & Preservation Society.***
