

SHIP Counseling

The State Health Insurance Assistance Program (SHIP) would like to remind people with Medicare that it is time to re-evaluate their health & prescription drug coverage.

The Annual Open Enrollment Period is
October 15-December 7

If a change is made during this period,
it becomes effective January 1, 2017.

The Office on Aging has a SHIP counselor available by appointment only during this period to help members enroll in a new or change an existing plan.

SHIP counselors provide free, unbiased information & assistance to people with Medicare.

Please call (732) 257-2340 to schedule an appointment.
Limited transportation is available - please call to arrange.
