Administrator will speak to Mayor regarding getting new membership for the Committee

Leaf Collection – A. Salerno stated that he does not see any advantage currently of switching our collection to paper bags unless new equipment is bought.

Water Utility – Borough purchases from East Brunswick. Contract is up this year. Right now there are no feasible alternatives. Future alternatives may be having a long-term contract with East Brunswick, a short-term with another Town, Sayreville may expand their plant or sell it.

Administrator reported that the Borough's Infrastructure is being updated and personnel had a turn over.

Construction Department – being brought back 10/1/2010, 90 day notice to Old Bridge was given per agreement, rates will not drop. Glenn Lauritsen will be the new Construction Official/Zoning Officials, Fire Sub-code, Art Londensky, Electric, Plumbing and Code Officer, to be determined.

Electric Audit – no report as of this date, company was on-site, draft report should be to Administrator by middle of next week. There will be Public Meeting for the Electric Audit which will most likely be on 7/20, Tuesday, at 6:30 pm, 55 Reid Street to discuss the results.

Administrator stated there may be a possibility of creating a sewer utility.

Administrator stated that the Capital projects are in effect.

Next meeting Thursday, 9/23/2010, 6 pm, 48 Washington Street, Conference Room.

Respectfully submitted,
Debra A. Jones
Executive Assistant
