AJS, Gary Schwartz, Esq.

Pending Litigation

Ianetta vs. Borough of SR.

Mr. Salerno stated that JIF does not agree on some points. JIF was going to cover Mr. Roselli's deductible. If JIF stands by their denial, we will have to pursue other avenues.

Anticipated Litigation

Mr. Salerno advised that Michael Ayers, former Rescue Squad member, served the Borough with a Tort Claim. He is going to sue the Borough for \$1,000,000. Mr. Salerno stated that he would send the notice to Art Thibault, Labor Counsel.

Personnel

Deputy Chief Bouthillette

Mr. Salerno advised that Deputy Chief Bouthillette's contract goes back to 1/1/08. He is the only employee who has not received a 1/1/08 increase. Approval of his contract will be put on the 12/23/08 regular agenda.

Andrew J. Salerno, Borough Administrator

Mr. Salerno left the meeting at this time while the Council discussed renewal of his contract.

Councilmembers deliberated on the terms of Mr. Salerno's contract. Councilmembers were happy with Mr. Salerno's performance and wanted him to remain with the Borough as Administrator. It was determined that the salary increase would be split between the budget for Borough Administrator, the Water Utility and Electric Utility.

Motion made by Councilwoman Buffalino to adjourn executive session at 10:05 p.m.
Councilman Trzeciak seconded the motion.

Respectfully submitted,

Patricia O'Connor, RMC
