RES:2010-116

MARCH 8, 2010

BOROUGH OF SOUTH RIVER
COUNTY OF MIDDLESEX

RESOLUTION OPPOSING LEGISLATION AMENDING
THE TIME OF DECISION RULE

WHEREAS, S-82 and A-437 are intended to modify the “time of decision” rule, which currently allows municipalities to change the zoning regulations during the pendency of an application for development; and

WHEREAS, the bills would deem as complete the ordinances in effect at the time of an application and shall govern the review of that application, and any decision made following upon that review;

WHEREAS, “the time of decision rule” is a judicially recognized principal that decisions are to be made on the basis of laws, ordinances and regulations in effect at the time the decision is rendered not upon application; and

WHEREAS, courts have applied the “time of decision rule” to correct errors in zoning ordinances, thus giving local legislators the opportunity to correct legislative policy that had been found to be imperfectly expressed; and

WHEREAS, the “time of decision rule” has permitted a municipality to give additional legislative consideration to serious and substantial land use planning concerns that, for whatever reason, had not been previously addressed in the ordinance; and

WHEREAS, application and zoning changes require public discussion and hearings, and S-82/A-437 would permit developers to “beat the clock” by filing applications and freezing the ability of local officials to act;

NOW, THEREFORE, BE IT RESOLVED, by the Mayor and Council of the Borough of South River in the County of Middlesex in the State of New Jersey hereby urges our State Legislators to oppose A-4 and S-82, and any legislation which would eliminate the “time of decision” rule at the local level; and

BE IT FURTHER RESOLVED, that a copy of this resolution be forwarded to the State Senator, Assembly representatives, the New Jersey State League of Municipalities and the Office of the Governor.

COUNCIL COMMENTS

Councilman Almeida

- Offered condolences to his neighbor, Mike Baber, on the passing of his wife.
- Kudos to emergency services and DPW on last storm.
- Kudos to Councilman Guindi in getting information to the Borough Council on power outage.
- Municipal Alliance Committee – attended meeting at county to discuss small grants
- Cultural Arts and Heritage Commission – meet fourth Tuesday of every month at 7:00 p.m. in library.
- Commented on the importance of videotaping business meetings so that the public is aware of what is being discussed by Council. Motion was made by Councilman Almeida to have the Borough Council videotape business meetings as soon as possible. Councilman Guindi seconded the motion.

Discussion:

Councilman Krenzel stated that he was not in favor of videotaping business meetings. No action is taken at business meetings. There is only discussion among the Borough Council. Most items discussed are on a two week timeframe. People can come and speak without being on camera.

Councilman Hutchison stated that Mr. Londensky does taping without remuneration and asked who will take on this responsibility. During the middle of the safety meeting, Mr. Londensky had to leave because of a fire. Borough Council is more laid back without being videotaped.

Councilman Almeida said he realizes TV 35 consists of Art Londensky. He suggested the possibility of an interlocal with the Board of Education. People would be interested in volunteering to videotape and it makes sense to groom people. Mr. Londensky will

not be here forever. He feels that the Planning Board and Zoning Board meetings should be videotaped.

Councilman Guindi stated that this issue was brought up last year. He was never in favor of videotaping. He understands the theory of having people intern, but feels that business meetings are informal and is not in favor of videotaping business meetings at this time.

Councilman Almeida said that he is a proponent of open government and disagrees that videotaping would transform business meetings from being laid back.

Mayor Eppinger stated that this has nothing to do with open government. All of the Council's discussion takes place in an open forum.

Councilman Almeida said he was not implying that anything is being done behind closed doors.

There were no further comments. The Mayor asked the Clerk to call the roll.
