RESOLUTION AUTHORIZING RIGHT OF ENTRY ONTO PRIVATE PROPERTY TO FACILITATE IN SUPERSTORM SANDY RECOVERY WHERE RISK TO PUBLIC HEALTH, SAFETY AND WELFARE DETERMINED TO EXIST

WHEREAS, Superstorm Sandy severely struck the Borough of South River (“the Borough), inflicting unprecedented damage, and causing catastrophic flooding and damage throughout the Borough, the remnants of which remain on many private properties throughout the Borough posing concerns regarding the safety and security of many properties; and

WHEREAS, on October 27, 2012, the Governor of the State of New Jersey declared a state of emergency for the entire state pursuant to Executive Order No. 104, which is still in effect; and

WHEREAS, the President of the United States declared a major disaster for the State of New Jersey, under the Robert T. Stafford Disaster Relief and Emergency Assistance Act, 42 U.S.C. § 5121 *et seq.* (the “Stafford Act”) which includes the Borough; and

WHEREAS, N.J.S.A. 40:48-2.13 confers upon the Borough, the power to remove debris from private property without a court order or the owner’s consent, if conditions constitute a health or safety hazard; and

WHEREAS, N.J.S.A. 26:3-48, N.J.S.A. 26:3-49, N.J.S.A. 26:3-50, and N.J.S.A. 26:3-53 confer upon the Borough health officer, the power to remove debris from private property without a court order or the owner’s consent, upon due notice, if the debris is the cause of ill health or disease; and

WHEREAS, the New Jersey Department of Health & Senior Services has issued a notice dated December 7, 2012, pursuant to N.J.S.A. 26:1A-26 (the “Commissioner’s Notice”), finding that certain kinds of accumulated storm-generated debris on public and private property constitute a public health hazard and are the cause of ill health or disease; and

WHEREAS, the New Jersey Attorney General has issued an opinion letter addressed to the Federal Emergency Management Agency (FEMA), dated December 7, 2012, (the “Attorney General’s Letter”), stating that under New Jersey law a municipality has the power to authorize the removal of debris from its jurisdiction, without a court order or the owner’s consent, upon due notice, if conditions constitute a health or safety hazard; and

WHEREAS, N.J.S.A. 40:48-2.13, N.J.S.A. 26:3-48, N.J.S.A. 26:3-49, N.J.S.A. 26:3-50, and N.J.S.A. 26:3-53 authorize the Borough to remove debris from private property following a hurricane, upon due notice, if the authority determines that such removal is necessary for the public welfare, or to protect the public from ill health or disease; and

WHEREAS, an emergency exists of the nature provided for in the Attorney General’s Letter referred to above, which triggers the local governing authority’s right of entry on private property when the landowner is not available to sign a Right of Entry form in order to remove debris in the public interest to eliminate an immediate threat to public safety, health and welfare.

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Borough of South River in the County of Middlesex, State of New Jersey that the Borough Administrator, Director of Public Works, Health Officer, Construction Code Official and Township Attorney are hereby authorized and directed to make determinations on behalf of the governing body in relation to protecting the public health, safety and welfare as proscribed as follows:

1. To direct the removal of Superstorm Sandy-generated debris from private property as necessary and in the public interest to eliminate immediate threats to life, public health and safety as determined by the Commissioner's Notice.
2. Pursuant to N.J.S.A. 40:48-2.13, N.J.S.A. 26:3-48, N.J.S.A. 26:3-49, N.J.S.A. 26:3-50, and N.J.S.A. 26:3-53, to authorize the removal of such debris from private property.
3. Based upon paragraphs 1 and 2 above, the Borough has determined to authorize and direct the exercise these authorities to enter onto private property in order to abate the declared public health nuisance and safety emergency by removal of the Superstorm Sandy-generated debris.
4. The Borough certifies that before it initiates removal, when at all practicable, it will satisfy all the legal processes and receive all legal permissions to carry out these actions of debris removal on private property through the use of rights of entry with indemnity clauses signed by the property owner, or those with legal interest in the property, or the Borough shall use a legal process for condemnation or nuisance abatement.
5. There may be circumstances where, because of the immediate urgency of the situation, the procedures of obtaining a Right of Entry or pursuing a condemnation proceeding, as set out in paragraph 4 above, may be too time consuming. We then will act under the auspices of the attached Attorney General's Letter and the attached Commissioner's Notice which together confirm the legal basis under law for the Borough to proceed to remove the debris on these private properties utilizing its police power. The Borough certifies that it has a written process to determine which properties will require this extraordinary process to protect the public safety. In these circumstances, a reasonable period of time will be provided for public notification before private property debris removal will commence. During this period a property owner may inform the Borough that entry is denied. This request will be respected unless it is determined that protection of the public interest requires Borough action in which case the forgoing emergency process will take precedence.
6. The Borough will recognize and respect all laws and regulations that concern historic preservation and environmental protection.
7. As required by section 407(b) of the Stafford Act (42 U.S.C. 5173(b)), the Borough hereby agrees that it shall indemnify and hold harmless the Federal Government and its respective employees, agents, contractors, and subcontractors from any claims arising from debris removal. The Borough hereby acknowledges that, in accordance with section 305 of the Stafford Act (42 U.S.C. § 5148), the Federal Government shall not be liable for any claim based upon the exercise or performance of or the failure to exercise or perform a discretionary function or duty on the part of a Federal agency or an employee of the Federal Government in carrying out the provisions of the Act.
8. To avoid duplication of benefits pursuant to section 312 of the Stafford Act (42

U.S.C. § 5155) the Borough will obtain from private property owners, who participate in this debris removal program, information and documentation relating to insurance coverage, proceeds and settlements and provide this information and documentation to the New Jersey Office of Emergency Management and FEMA.

9. This Resolution shall apply to all private properties in the Borough with the municipal addresses within areas that require debris removal in the public interest in order to eliminate immediate threats to life, public health, and safety.
