Councilman Haussermann questioned the settlement and asked how this happened. He would like the current Borough Attorney to review what happened so it doesn't happen again. He also noted that the road is still in need of repair, the project was poorly done.

Councilman Jones was in favor of seeking additional information, also stated there was a breach in the contract.

Mr. Carr noted that there is a punch list that still needs to be done.

Mayor Krenzel requested the Borough Attorney submit a proposal for reviewing the above matter.
