

HEADER IMAGE GOES HERE

[TITLE OF EVENT]

[Date and Time]

[Detail]

To make it easier for organizations, committees, departments, etc to post flyers, we can request that they create a draft of a flyer that only provides information in the “unboxed” areas on this page. The header image should be the same one used for facebook and the monthly buzz. We’re working with the Recreation Department to lead the way on this next year. The Communications Committee can provide a template, however, to make the process more efficient.
