

# SPPP Form 9 – Yard Waste Ordinance/Collection Program

Municipality Information	Municipality: <u>Borough of South River</u> County: <u>Middlesex</u> NJPDES#: <u>NJ0152331</u> PIID#: <u>214793</u> Team Member / Title: <u>Adriano Soares, Director of DPW</u> Effective Date of Permit Authorization (EDPA): <u>April 1, 2004</u> Date of completion: <u>April 1, 2005</u> Date of most recent update: <u>June 12, 2014</u>
--------------------------	---

*Please describe your yard waste ordinance/collection program. Be sure to include the collection schedule and how you will notify the residences and businesses of this schedule. Attach additional pages as necessary.*

The Borough has an established yard waste collection system with procedures that complies with the requirements of the General Permit.

The residents of the Borough are not mailed collection schedules; rather the Department of Public Works posts the collection schedule in prominent areas around town so that all residents are given public notice. Please see the attached 2005 Curbside Recycling Schedule brochure.

The Borough is divided into two (2) collection zones, the North Section, and the South Section. Brush is collected by the Department of Public Works once a week on Monday. Brush must be no longer than four (4) feet in length and bundles may not be more than 1 foot in height.

Regarding leaf collection, leaves are currently raked to the curb or collected in plastic bags. Leaves are collected between October and December, an entire week (5 days) a month per section. There are two collection zones as noted above. The Borough will not collect leaves that are contaminated with trash, grass, branches, stones, paper, litter or and other debris and will be issued a summons by the Code Enforcement officer if such is found.

The Borough encourages the "Clip it and Leave It!" program that states that glass clippings should be left on the lawn. In event a resident wants to dispose of the clippings, clippings are collected every Monday and clippings should be placed in an open container or biodegradable bags and be left at the curb on Sunday evening.

Yard Waste collection is not collected on holidays.

The Borough of South River has adopted and is enforcing a yard waste ordinance (see SPPP Form 10) that will prohibit all yard wastes from being placed curbside or along the street more than seven days prior to the scheduled collections, unless they are bagged or otherwise containerized. If placed curbside more than 7 days prior to the scheduled collection date, fines will be levied. The ordinance will also prohibit the placing of yard waste no closer than ten (10) feet from any storm sewer inlet along the street, unless they are bagged or otherwise containerized.
