BOROUGH ADMINISTRATOR

(732) 257-1999

The Borough of South River aims to provide services to its residents that offer cost savings and creative ways to improve quality of life. Our curb and sidewalk program is designed to pass savings of replacing curb and sidewalk projects initiated by residents by having them bid all together. Going out to bid for numerous projects all at once eliminate some of the costs due to economies of scale and purchasing power. Each year, the Borough goes out to bid all at once for the number of projects received. Applications must be received by July 15 to be considered in this year's program, or will be considered for the following year. **THE BOROUGH WILL REACH OUT TO YOU FOR ADDITIONAL INFORMATION AFTER RECEIPT OF APPLICATION.**
