The Borough of South River is dedicated to improving our shade canopy within the borough. Towns with robust canopies experience many benefits, some environmental, some economic, and all are shown to increase the overall quality of life for residents. Our “Plant One On Me” program is an effort to make it easier for residents to plant shade trees within the verge (the space between the sidewalk and curb.) We hope to approve as many applications for Shade Tree Plantings as possible this year and will be examined on a first come basis, taking into consideration demand. Applications must be received by September 15 to be considered in this year’s planting, or will be considered for the following year. **THE BOROUGH WILL REACH OUT TO YOU FOR ADDITIONAL INFORMATION AFTER RECEIPT OF APPLICATION.**
