Stay Up To Date on Borough Projects

PROJECTS BLOG
SRBORO.ORG

We've been working hard to better inform residents of efforts, events, and new ideas. We've launched a blog to better explain many of these projects to keep residents in the know.

File Applications Online

FILE-it
POWERED BY GovPilot

FILE APPLICATIONS ONLINE
LAUNCHING THIS MONTH
SOUTHRIVERNJ.ORG/FILEIT/

In a continued effort to make for friendlier interactions with the Borough, South River launched FILE•it this month. Starting with Recreation registration and Dog Licensing, FILE•it allows residents to file applications and registrations online. We're excited to continue building out this service for residents as we expand our efforts.

Submit to the Monthly Buzz

We want to better publicize what's going on in town and are starting here. Find out how to submit an event and more. We will continue to expand to other mediums in the months ahead adopting a "submit once, publish everywhere" mindset.

RECREATION

POLICE•it

POLICE•it

The Police Department is relaunching their tip hotline. In addition to providing a number to call, they will also be launching POLICE•it, an online form to provide tips from the web.

Dedicate a Tree or Bench

Have a loved one you'd like to honor with a lasting memorial? Dedicate a tree or bench in our parks to assist in beautifying and making a lasting connection with our public spaces. Earth Day and Arbor Day make for the perfect time to do so.
