

## **ATTENTION SOUTH RIVER RESIDENTS**

### **Beginning August 1, 2016 TV & Electronics Recycling has returned to the Recycling Center**

The Borough's electronic waste contractor abruptly ended service late last year, leaving us with a large amount of uncollected e-waste. We have a new contractor, and the backlog has been cleared out.

**We will only be collecting television sets, computers (CPU tower, laptops and tablets) and computer monitors.** We suggest you contact the manufacturers for advice on what to do with peripherals and other electronic devices.

Please remember that recycling of computers and televisions is required by State Law.
