Councilmen Hank Dziemian and Joe Donato are present in place of Councilman Giannakopoulos tonight.

2. Parking letter for council

The committee read over the letter and decided no changes were needed. Councilman Donato suggested sending the letter to the council members so they had it before we attending a meeting. Danielle will send letter to the mayor and Councilman Giannakopoulos, as well as Borough secretary to distribute.

3. Farmer's market

Councilman Dziemian gave an update on this. He said the attorney is working on the working the wording and when it is all done it will go on the council agenda for first reading. Since we are waiting on the ordinance, members decided on doing September and October dates, preferably Sundays since most people are off of work. Once ordinance is approved, we will start looking for vendors.

4. Member Comments

Melissa brought up the lawn signs and banners. We want to put signs on the bridge coming in from Sayreville. Councilman Donato said we would check with the county to make sure that wasn't an issue.
