2. Parking update

Is was mentioned that some of the builders have bought parking permits as part of their plan with the Land Use Board. Danielle went back through the minutes of those minutes and found that 35 permits were bought by the PNC bank project to meet their parking requirements. Those permits are currently not being used since it is still under construction. Danielle also found out that the school on Thomas and George has also bought permits to cover the need for certain days of the year. On conversation with the Mayor, this was also brought up and determined half the permits sold are not actually being used. With no further suggestions on the matter, the subject was closed.

3. Farmer's market

Melissa will attend a meeting with the BA/police chief to discuss no parking signage, safety issues parking, and other issues to make sure everyone is on the same page.

4. Calendar reminder

The October meeting date was corrected to the 21st and the borough was emailed to change it on the borough calendar as well. Danielle discussed that even though we don't have meetings for the summer, there will be emails and tasks for members in preparation for the farmer's market.
