NECESSITY TRANSPORT REMINDERS

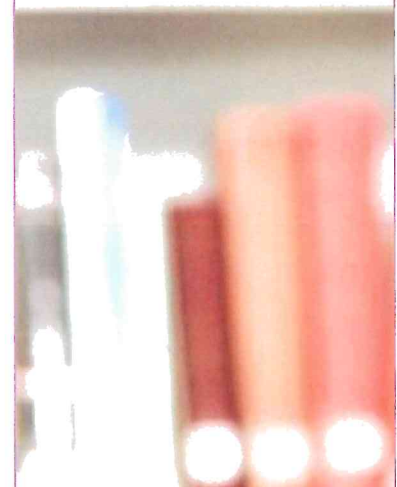

Sign-up/cancellation policy: Members must make arrangements by calling the office during business hours and speaking with a member of our staff. Pick-up is not guaranteed unless we verbally confirm the reservation. Cancellations, however, may be left on our voicemail at any time, including outside of business hours, and preferably in advance of the scheduled pick-up time. Please note that the driver does not accept reservations or cancellations on the bus.

Reservation cut-off time: Reservations must be made before the close of business (3pm) the day prior. Voicemail messages requesting transport received the day of a scheduled trip are not accepted.

Pick-up time: Passengers should be ready to depart for their scheduled destination fifteen minutes prior to the designated pick-up time. Members are not expected to wait outside, however, we expect that when the bus arrives, they make their way to the curb in a safe and timely manner. If a member is scheduled for pick-up but is not present and prepared to board on time, the bus will depart and will not return.

Around Town Shuttle: Hours of operation are 9am (first pick-up)-2pm (last drop-off) as designated on the monthly calendar of events. While multiple stops are both allowed and encouraged, they must be arranged with our office at the time of scheduling. Additionally, the bus is unable to transport a single passenger to multiple destinations and wait for them to conduct business at each location; members traveling to common destinations are transported in groups. Keep in mind that the driver picks up at the location of drop-off, and riders are expected to return on the bus unless arranged with our office in advance.

We appreciate everyone's best efforts to comply with our policies as we adapt to the diverse needs of our members who depend on us, especially those without alternate means of transport.

May the sun in his course visit no land
more free, more happy, more lovely,
than this our own country!
