

NOTICE TO BIDDERS
ADDENDUM # 01

The Purchasing Agent has issued Addendum #01 in association with the public procurements known as:

BID #26-01 Unidirectional Flushing Program

AMENDMENTS: ANSWERS TO QUESTIONS

- **As valve boxes are being vacuumed out, the inspector will need a DPW spoils site or yard to dump light dirt and water extracted from boxes. Will there be a site available?**
 - *There will be a location to temporarily store spoils near the water treatment plant. The successful bidder must remove these spoils before the project is completed*
- **How many valves will there be to visit in this project in total?**
 - *There are approximately 400 valves*
- **How many hydrants will there be to visit in this project?**
 - *There are approximately 250 hydrants*
- **How many UDF sequences will there be to adequately flush the system?**
 - *The UDF sequences will be prepared by the consultant and provided to the contractor.*

Robert Dolan, MAS, QPA, CPM
Purchasing Agent

Date: March 3, 2026

Acknowledgement of Receipt of Changes

Pursuant to the NJSA 40A:11-23. 1a, the undersigned bidder hereby acknowledges receipt of the following notices, revisions or addenda to the bid advertisement, specifications or bid documents. By indicating date of receipt, bidder acknowledges the submitted bid takes into account the provisions of the notice, revision or addendum. Note that the local units record of notice to bidders shall take precedence and that failure to include provisions of changes in the bid proposal may be subject for rejection of the bid.
